Teaching Poetry for Pleasure and Purpose

Dr Sally Murphy

This book is designed to encourage and upskill teachers to introduce and explore poetry in the classroom with their students. Poetry has many proven benefits for learning outcomes and can help significantly in students' literacy journey. Dr Murphy's book is packed full of poem-driven activities and tips for engaging students with poetry.

"The chapters ... offer a blend of explanations, practical exercises and, importantly, poetry. By demystifying the language of poetry – poetic techniques, language devices and forms of poetry – this book aims at enabling you as teachers and, through you, your students, to understand how poetry works, how to unlock its meaning and how to write it. Above all, the message is that poetry can be a pleasure to teach, to read and to write – for teachers and students alike." Dr Sally Murphy

Chapter 1 Why poetry?

Chapter 2 Poetry in the Foundation year

Chapter 3 Poetry in Year 1

Chapter 4 Poetry in Year 2

Chapter 5 Poetry in Year 3
