

Transform your professional learning community with PETAA

Our mission is to give every young Australian a powerful literacy education.

A PETAA school membership provides the professional development, resources, and critical thought leadership you and your staff can rely on to see positive English and literacy results from your students.

Achieve school goals with PETAA:

Give your staff instant access to an **extensive quality resource library**, both online at the PETAA website and in their hands with 3 new books and papers researched, published and delivered from us to you every year (we'll supply two copies of each for sharing)

Save time and money by unlocking **huge member discounts** on all **PETAA Professional Learning, Conferences and in-school workshops** (plus our free member-only webinars); our presenters are highly skilled and our workshops receive excellent reviews

Create a widely-read and informed team by utilising PETAA's **all-staff access to units of work** based on quality Australian children's literature. Plus, we'll send fresh insights to their inboxes every week

Nurture your unique professional learning community with **custom workshops for your school**, or by ordering a PETAA Special Delivery - a professional development resource program created with schools in mind

Give your teachers gifts of **inspiration, insights and support** from our networks of experts and communities of peers

As a member association, you and your staff are our reason for being. We exist to help you evolve, expand, and explore your English teaching toolkit.

A 12 month school membership is only \$350.
